### Welcome to Online e-Resource Requisition System

Based on the recommendations for resources received through the online e-resources requisition system (<http://ess.inflibnet.ac.in/oes/>), the eSS has negotiated rates of subscription for selected resources. The resources are listed at **online portal** and the negotiated rates of subscription can be viewed by logging in to the online portal. You may register for the portal and select the resources that will be useful for your institution. **Registration on the e-Shodh Sindhu portal do not entitle you for access to any resources.**

Institutions have to subscribe to e-resources by placing orders directly to the respective publisher/authorized agents. After placing confirmed orders with respective publishers, institutions have to update subscription details under "Subscribed E-Resources" menu option on the portal for analysis and monitoring purposes.
